Key Blends Cake Donut Concentrate

Thursday, September 26, 2013

Key Blends Cake Donut Concentrate is designed to make high quality standard blooming donuts. It is a neutrally flavored product with a slight vanilla flavor. Additional flavors should be added to give your product a distinctive flavor. Flour ratios and sugar ratio can also be modified to give unique eating characteristics.

The concentrate should be stored in a clean dry area with no off odors or any hazardous material. This is a food grade material and it must be kept in food grade storage areas.

The shelf life of the concentrate is 6 months when stored below 10C. Storage at temperatures >10C but <30C will reduce the shelf life to 90 days. The shelf life is 1 year at temperatures below 4C.

Suggested Handling **All Purpose Cake Donut**

Concentrate	50
Sugar	75
