Key Blends Table Cut Yeast Donut Concentrate

Thursday, September 26, 2013

Key Blends Table Cut Yeast Donut Concentrate is optimized for use on table cut lines and hand cut lines. This concentrate has fast mix times and produces consistent melt in your mouth yeast donuts that are consistent and have a long shelf life.

The concentrate should be stored in a clean dry area with no off odors or any hazardous material. This is a food grade material and it must be kept in food grade storage areas.

The shelf life of the concentrate is 6 months when stored below 10C. Storage at temperatures >10C but <30C will reduce the shelf life to 90 days. The shelf life is 1 year at temperatures below 4C.
